WEEDING WARRIORS WELCOME NEW VOLLIES

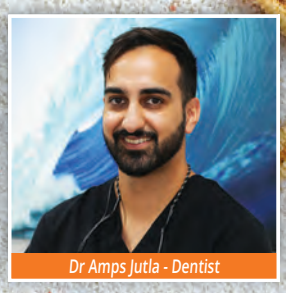

Have you been for a walk along the 'watecourse' lately? It's the green pathway that runs from the first beach entry at Stumers Creek and up to the Lions Park. The walkway of green is an absolutely beautiful lush tropical pathway that has been maintained and transformed over the years by the diligent work of the 'Watecourse Warriors' who meet each Monday with their green thumbs for a friendly morning of weeding and maintenance. Spearheaded by Linese Norrish, the warriors are looking for new volunteers who would like to join the welcoming bunch for a weekly morning of environmental volunteering. The 'Warriors' enjoy being outdoors and would love to see some new faces, both young and old join them. The Watercourse Warriors are supported by Sunshine Coast Regional Council and please contact Linese on - 5446 5116 for more info. Pictured is Bron Norman with 'Harvey', James Galbraith, Linese Norrish and Anne Jericho. Photo: Vanessa Bacon-Hall

LABOR'S NINDERRY CANDIDATE APPLAUDS SCHOOL SPENDING

LABOR'S candidate for Ninderry, Melinda Dodds, recently pointed to the Palaszczuk government's record on spending on schools in the Ninderry electorate.

Education Minister Grace Grace recently announced more than $12 million worth of new projects, minor works and upgrades across the Sunshine Coast and Hinterland.

"It's great to see projects such as a $300,00 refurbishment of the Performing Arts Block at Coolum State High School," the Minister said.

Melinda Dodds welcomed the news and noted the benefits for local communities and local tradies as well.

"This is your government providing real improvements and real jobs right here in our area.

"This contrasts with the opposition who have provided nothing in return for the loyalty shown to them," Ms Dodds said.

"My aim is to be the best advocate Ninderry ever had in a returned Palaszczuk government."

Ms Dodds further went on to say that in addition to the work at Coolum High School, Coolum State School has benefited from $250,000 for six learning spaces, and some $401,000 in maintenance for schools across Ninderry as well as $136,000 in minor works.

"Ninderry just can't afford to be neglected by the local member anymore," Ms Dodds stated.

"We need more of what the Palaszczuk Government is providing."

Live Music Returns to Coolum

The Dawn Light will be performing this coming Saturday night at the Coolum Civic Centre. Photo: Contributed

AN intimate night of music will be performed this Saturday night September 12 at the Coolum Civic Centre with 'The Dawn Light'- an exciting new project by vocalist Angela Iimura and bassist Oj Newcomb ready to play for an audience.

Oj Newcomb is well known by locals performing as part of the John Butler Trio, Afro Dizzi Act and the Band of Frequencies. For The Dawn Light, Oj has teamed up with his wife - vocalist Angela Iimura - to perform songs that have been inspired by the great mystic poets - Hafiz and Francis Brabazon.

Influenced by artists such as Erykah Badu, Ledisi, Allen Stone, Emily King, D'Angelo, Jill Scott, Jon Cleary, Joao Gilberto and Antonio Carlos Jobim, The Dawn Light's sound is angelic, playful, moving and deeply soulful - paying homage to these great poets. This combination of musicians, words and music will inspire hearts and souls to dance.

Audiences are invited to BYO their supper and refreshments for this beautiful and intimate performance and tickets are limited due to social distancing restrictions.

The event will run from 6.30pm with tickets just $20 + a booking fee. Tickets can be purchased via either of the following links - : https://www.redchair.com.au / https://events.humanitix.com/the-dawn-light-coolum-beach

NOTE TO SELF:

LNP COMMITS TO TOILETS AT MT COOLUM NATIONAL PARK

An elected LNP State Government will commit to building toilet facilities at the base of Mount Coolum National Park. Pictured is Shadow Environment Minister David Crisafulli (left) with members of the public and Member for Maroochydore Fiona Simpson. Photo: Contributed

ONE of the Sunshine Coast's most loved national parks has the views, but it has no loos - leaving many of its 200,000 visitors hopping and hoping for a breakthrough.

However, relief is in sight at Mt Coolum National Park after Shadow Environment Minister David Crisafulli met with local MP Fiona Simpson and residents to commit an LNP Government to provide $350,000 to build the amenities.

Mr Crisafulli said that the toilets were needed.

"This stunning national park is an icon worth protecting and we want to keep this park beautiful and also improve the visitor experience.

"These facilities will be built in an environmentally sensitive way but without them the impact on the park is just unacceptable."

Ms Simpson reiterated the sentiments of her fellow party member.

"Mt Coolum National Park is one of the Sunshine Coast's best loved landmarks and it has had upgrades to the walking tracks and visitor numbers have exploded as people love this park," Ms Simpson said.

"However, the lack of toilets is negatively impacting the local environment - I don't need to spell out what happens when the call of nature leaves its impact."

The Queensland State Election will be held on October 31, 2020.

Are you frustrated with your current Property Manager?

10 TIPS TO CHANGE YOUR PROPERTY MANAGER

1. Call Us!

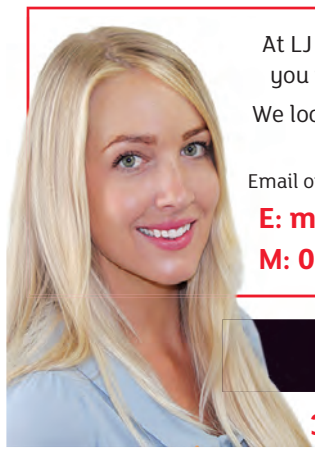

WE WILL HANDLE THE OTHER NINE.

Dear Investor,

IS YOUR PROPERTY MANAGER LOOKING AFTER YOU?

Does your rental manager hand out keys to vacant properties?
Are you having routine inspections conducted at your property every 3 months?
Does your property manager have a zero tolerance policy for rental arrears?
Do your tenants contribute to water usage?
Does your property manager handle maintenance issues quickly and effectively?
Has your rental manager gone above and beyond to get the best return for your investment?

If you have answered NO to any of these questions
call us now on 07 5446 2222

At LJ Hooker Coolum Beach our focus is to get you the highest return on your investment.
We look after your property as if it was our own.

Email or call Michelle anytime for a friendly private chat.

Pet registration renewals are on the way

Ensure your pets are registered with council with renewals due by September 30. Photo: Contributed

ANNUAL pet registration renewals are on the way, either by post or email, for the 60,848 cats and dogs registered on the Sunshine Coast with renewals due by September 30.

Pet registration helps Sunshine Coast Council to reunite lost pets with their owners and it also helps to plan for services such as off-leash areas for dogs, education programs to promote responsible pet ownership and the animal pound.

Service Excellence Portfolio Councillor Christian Dickson reminded residents that cats and dogs must be registered with council each year.

"Despite there being more than 60,000 pets registered, we anticipate there are many more that are currently not registered but need to be," Cr Dickson said.

"Registration is an important part of responsible pet ownership and it's also the best way to ensure your beloved cat or dog can be returned to you if it goes wandering.

"New residents to the Sunshine Coast can transfer their cat or dog registration for free, so if you've recently moved to the area now is the time to contact us and register your pet."

In the Sunshine Coast region, there are currently 50,237 registered dogs - an increase of 1891 on the same time last year, and 10,611 cats, 491 more than last year.

Significant registration fee discounts apply for dog and cat owners who have had their pets de-sexed and micro-chipped with the cost being just $14 or free for pensioners.

There is also the option of a lifetime registration for de-sexed and micro-chipped cats – only $83 with no annual renewal fee required.

Registration is free for pets under six-months-old.

The annual registration period for cats and dogs starts on October 1 each year and runs through until September 30 the following year.

Renewal of pet registration is due by September 30, 2020.

Dog registration is required under the Queensland Government Animal Management (Cats & Dogs) Act 2008 and cat registration is required under Sunshine Coast Council Local Law No. 2 (Animal Management) 2011.

There are several convenient payment methods available, including online payments via MyCouncil or BPay, over the phone or at a council customer contact centre.

To ensure community safety due to COVID-19, online payment is preferred.

Pet owners can notify council of changes to de-sexing, micro-chipping and pensioner details via MyCouncil.

For pet registration cancellations and address changes, visit council's website.

Ensure your pet's microchip information is up-to-date with your microchip register e.g. Australian Animal Registry or National Pet Register.

For more information about animal registration, visit council's website.

Principal's Post

TROY ASCOTT
COOLUM STATE HIGH SCHOOL

THIS week, our Year 12s experience their senior formal that will take the form of a 'Spring Ball.' Among the many COVID restrictions, one is that there can be no dancing! What a year we've had and who would have thought that no-one would be able to dance at their formal?

It's valuable to remember just how important the formal is to the students. It's the first time these young people get to dress up in their finest clothes, they celebrate that school is nearing its end, and there is the realisation that the group you have been to school with has a special bond - a genuine coming of age. As you get older, it's hard to remember the excitement and energy of youth. If nothing else, the formal is a celebration of youthful energy.

Who knows what these young people will springboard onto and where they will go? If history is any guide, the destinations will be many and widely varied. Some will stay local. Others will spread to all corners of the world. Coolum High students will fill professions and trades, start businesses and undertake government roles. More students than we know will enter jobs that don't even exist right now, as technologies change and thinking changes even more. I know that no-one was planning to be a "software engineer" when I went to school!

The seniors this year will have a formal like no other, the one where you can't dance. But, in the year when the world was tipped on its head, their bonds may prove to be even stronger than normal due to the adversity 2020 has forced upon us. One thing I am sure of, is that 2020's seniors will be excited, exuberant and energetic, and that their coming of age event will

Spirit.3H

Connecting and Flowing with Gratitude

In Oriental Yoga (OY) we celebrate our connections in nature. In practices we greet the day toning, shaping and connecting the body, mind and spirit.

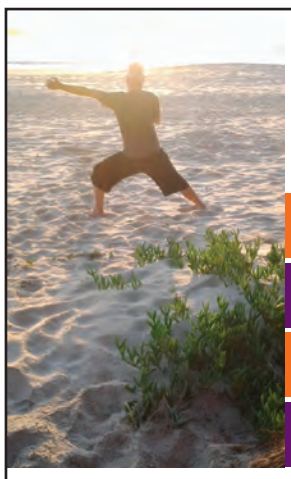

By moving the body in the most natural way the practice is invigorating and nurturing yet building body awareness, strength, physical endurance and fitness for life.

Physical endurance requires a strong heart muscle as well as strong skeletal muscles. Physical endurance will be helped by the holding of postures building intensity with routines that flex, relax and condition muscles.

With a slow flow OY practice can provide peace, bliss and understanding to support you reaching your potential.

Recognise that you are a part of nature, a child of the universe and that life is a great gift. Cultivate gratitude for the fact you are alive.

Why not start OY at the North Shore Community Centre by contacting Tony on 0419791860.

Cr. Maria Suarez

DIVISION 9 – SUNSHINE COAST COUNCIL

LOCAL UPDATE

At the beginning of September, I visited the Coolum State High School for a sneak peek at their new Wandama Centre. What a fantastic facility, which will assist students with their learnings about health, science, design and aeronautics.

I also met with the Coolum Residents Association and discussed local issues such as suggested improvements to public spaces, development issues and concerns at the sheer number and size of memorials along our natural foreshore.

Traffic is an issue of concern to many residents at a number of sites across Coolum. At the Ordinary Meeting on Thursday September 17, I'll present a petition to council on traffic issues on Cinnamon Avenue, Coolum. I am requesting Department of Transport and Main Roads to undertake a whole of area traffic review for Coolum. You can watch a live stream of this meeting via council's website.

YANDINA CREEK WETLAND OPENING

I recently attended the Yandina Creek Wetland opening within our Blue Heart on the Maroochy River. It has been transformed into a birdwatcher's delight, with Unitywater completing a new 1.7km trail walk and bird viewing hide earlier in the year. It's definitely a lovely place to connect with nature. You will view Mt Coolum and Mt Ninderry in the distance, you'll hear birdsongs as you walk alongside the grey mangroves, and at the bird hide you'll see a wide vista of the floodplain with a chance to see some of our rare bird life.

Our Blue Heart initiative is a long-term partnership project between council, Unitywater and the Queensland Government. It will bring about many benefits for our community including protecting the most critical areas of the Maroochy River floodplain.

Since 2017, Unitywater has been working to return this former cane farm land back into a natural wetland to remove nutrients and sediments from the river, in an effort to improve its long term health. This project demonstrates that there are still plenty of opportunities for land on a floodplain if we are innovative in our thinking and approach.

Access the trail at 362-368 River Road, Yandina.

If you have any questions or suggestions, please contact me on 5475 9810, maria.suarez@sunshinecoast.qld.gov.au or via my Facebook page.

Fiona Simpson MP

MEMBER FOR MAROOCHYDORE

Mudjimba Surf Club building works. Photo: Contributed

MUDJIMBA SLSC NEEDS OUR HELP

This gutsy little surf club that punches above its weight protecting swimmers at Mudjimba Beach needs our help. During the current renovations they discovered the old roof was failing and they urgently needed to raise $30,000 to fix it. The community which they had protected for more than two decades gave back raising the funds for the roof repairs within two weeks.

With the roof repairs covered, now Mudjimba Surf Club have their eyes on finishing the fit out and upgrades to amenities and training area toilets, which were too far out of their reach as part of the current stage of works, but are also necessary.

I'm proud to be their patron and I'm supporting them personally too, as I know many of you will do too. Jump on to their Facebook page and follow their trybooking link to donate online. Or find the link on my Facebook page - FionaSimpsonMP.

WALK ON THE WILD SIDE

Many years ago I had the honour of interviewing the legendary botanist, artist and conservationist Kathleen McArthur at her Sunshine Coast home and had my eyes opened to the beauty of the wild tangle of native grasses and wildflowers that populated her backyard.

There were no urban trimmed flowerbeds but it was stunning in its glorious natural state and was an authentic testament to her life-long mission to protect the native landscape.

So it was with great delight when I joined the Coolum and North Shore Coast Care group for a walk on the wild side through "Mt Gul'um/Mt Coolum" National Park during the Wildflower Festival recently.

Together with other locals we took an easy walk through the southern section and had the tiny flowers identified and celebrated for their simple beauty. I'm sure most readers also know about the Coolum Community Native Nursery in Warran Road at Yaroomba which propagates many of the local species too - helping to preserve and educate about these wonderful plants.

Kathleen's legacy of raising awareness as to the value of wallum heathland and all natural landscapes on the Sunshine Coast is a legacy we can thank her for.

The Advertiser Social Scene

The local community came out on Saturday September 5 for the Peregian Family and Friends Family Fun Day, which was held in the park behind the Surf Club in Peregian. The day remembered the devastating fires which took hold one year ago and also raised funds for the Verrierdale Rural Fire Service. All Photos: Travis Macfarlane

Matt Tinney and James Hall-Brown from Verrierdale Rural Fire Service.

Olivia Childe having her face painted.

Jasper Delaney-Taylor and Riley Forlonge who were fundraising for the Verrierdale RFS

Sam and Luis Robertson.

Lyndon Forlonge and Brett Morris from Peregian Surf Club.

Jayce and Abby Johnson with their pup Lola.

If you have an event, social function or sports event happening and would like the Advertiser to cover it, please email editor@coolumadvertiser.com.au and we will endeavour to send our photographer there.

Observations

TONY GIBSON

A MARCOOLA RESIDENT WHO IS ACTIVE IN COMMUNITY, BUSINESS, POLITICS AND THE ENVIRONMENT

Rocky Mountain High

IT REMINDS me of the John Denver song when you finally reach the top of Mount Gul'um and catch your breath - it is a sight to behold as you watch the shadows from the clouds on the sea and the sparkling water rolling in along the coast below.

With nearly 200, 000 people a year making the ascent of Mount Gul'um it would have to be one of most popular national park walks in Queensland.

The biodiversity of Mount Gul'um is amazing with wallaby and many birds making it home. Also, the rise and fall of the oceans has meant a rich repository for rare and ancient plants exists with an important seed bank for the Maroochy River flood plains below.

In recent years the work on the track has made it very accessible. My three year old grandson made it to the top with grit and determination, so it is very accessible to most abilities.

It is time to build some amenities somewhere in close proximity to the base of the mountain. It is appreciated that there are meagre funds going into national parks whether LNP or Labor state governments, however nobody seems to ensure a specific allocation for the badly needed amenities.

The management plan for the Mount Coolum National Park always seems to avoid the amenities because the building and ongoing maintenance costs are significant. The question is how can we continue to accept state governments not taking responsibility?

Is it a rocky mountain too high to expect the provision of basic amenities in the form of toilets for 200,000 walkers a year?

Like John Denver on Mount Gul'um "You can talk to God and listen to the casual reply - Rocky mountain high". However, you better not be in a hurry or you will be heading for the bush on Rocky Mountain High.

While the LNP has made a promise to build some amenities if elected, what are the other mobs promising? A real loo at the base of Mount Gul'um we hope.

Enjoy your walks and tread lightly.

Looking to Marcoola and the North Shore from Mount Gul'um. Photo: Contributed

COOLUM SURF SCHOOL HOSTING FREE SURF & DEMO BOARD DAY

Coolum Surf School will be hosting a free 'come and try' surfing day this Saturday in Tickle Park from 8am. Photo: Contributed

THERE'S nothing better than being out in the water – staying fit and having fun, and Coolum Surf School are inviting local children to join them this coming Saturday for their free surf and sign on day.

Coolum Surf School is giving kids the ultimate opportunity to have a go at surfing this Saturday, and "The Shop" Coolum will be giving a free coffee for the mum or dad that brings them down to say thanks.

The experienced surf coaches from Coolum Surf School will give the kids a surf awareness talk and a taste for surfing and will be on hand at all times to make sure everyone is safe.

There will be prizes and freebies for the kids to take home and all equipment will be provided – the only things needed to be brought along on the day is a sense of adventure, swimwear and a towel.

Coolum Boardroom and Hammo Surfboards will also be onsite from 8-11am in Tickle Park. They are inviting people to come and speak to shaper Dane Hamilton and to learn about the different shapes, styles and how they perform. Surfboards will be available for board demo, so people can try a surfboard before they buy.

This Free Surf Day is the perfect opportunity for children to take up the fun sport of Surfing. Places are limited so make sure you book your spot by calling 0438 731 503.
