## COOLUM'S COMMUNITY GARDEN FINALLY SET TO GROW

VANESSA BACON-HALL  
EDITOR

THE COOLUM community will finally be seeing some tangible work happening in Jack Morgan Park over the coming months in relation to the establishment of Coolum's very own community garden with the building of an accessible pop up garden which will serve as a way to get the project moving.

The community garden which will be known as 'Coolum Common' will this Saturday June 19 be hosting a fundraising stall at the Barely Worn Market from 8am at the Coolum Civic Centre to raise funds for the project and to inform people on what the community garden is all about.

With help from the Coolum Men's Shed along with an initial grant from Sunshine Coast Council and with the support of Coolum Business and Tourism, the first pop up garden site for the main garden site will be built over winter.

Volunteer and spokesperson for Coolum Common, Claire Baker explained that the Coolum accessible garden will serve as a way to get peo-

The long awaited Coolum community garden which is earmarked for a space in Jack Morgan Park is one step closer to becoming a living community fixture with the establishment of a pop up garden along the northern boundary ready to be built over the winter months. The Jack Morgan Park community garden which will be known as 'Coolum Common' and the pop up garden is being put together by volunteers (pictured from L-R) including Sabina Kath, Claire Baker, Adam Cheyne with Isla, Nathan Freney from Swallowtail Nursery and Sarah Phillips with Jack. This Saturday the Coolum Common volunteers will be hosting a market stall out front of the Coolum Civic Centre tempting passers by and patrons eager to get a bargain at the Barely Worn Market, which sells second hand clothes and apparel. ### "Dream State - Fragments Of An Artist's Mind"

by Martyn Williamson

We are very excited to announce that we will be exhibiting works by local artist Martyn Williamson, entitled "Dream State - Fragments Of An Artist's Mind", running from Friday, 21<sup>st</sup> May until Thursday 1<sup>st</sup> July, 2021. Martyn has displayed some previous works in our gallery in the past, but this is his first ever exhibition, and we can't wait to showcase his most recent works with you!

Martyn has always delved into his soul and explored his complex and creative brain to produce artwork that has been admired by all who have had the opportunity to witness or have received his many works as gifts and commissions. After much encouragement and with the gift of 'time' he has now chosen to pursue his talent and his mind to create on a professional level without compromising his unique style.

"Dream State" is an exhibition not to miss, and we welcome all our loyal clients to view his work.

## Letters to the editor

### ROBODEBT

Dear editor,

Five years on and not one Federal Government Minister, including Social Services Minister, Linda Reynolds, the minister responsible, is dismissed.

The Commonwealth's welfare system's automated "Robodebt" scheme is a dark history in welfare culture, 2015-2019. Exposed for the scam it is, its victims wait for restitution through the courts, while its architects remain silent. Instead of the protective "social security" for our poor and disadvantaged, this disastrous scheme, illegally demanded supposed debt and overcharged repayments into

thousands from vulnerable welfare recipients.

It was tantamount to grand theft. There was no explanation as to how and why. The Commonwealth is now charged with refunding \$751million recovered in invalid debts. How did they get it so wrong?

Thanks to Paul Keating and successive political parties of both sides, income averaging for welfare recipients is a perpetual nightmare. From 2015, applicants suffered an automated debt demand, without the details. It drove many to suffer PTSD and even suicide, without knowing how they failed.

\$112million is to be com-

pensated to 381,000 victims. Taxpayers are footing the bill, which may amount to \$1.8billion. No one can be compensated for the psychological and physical harm to innocent victims. The buck stops at the top.

E. Rowe,  
Marcoola.

### BILOELA FAMILY

Dear editor,

Keeping us safe? The Biloea Four will stop the boats? In a Perth hospital, the sick little three year old and her anxious mother, both separated from her father/husband and older sister locked up 800 kilometres away in our Christmas Island prison camp? Really?

Margaret Wilkie,

ple involved and show that the project is moving forward.

"So far we have about 14 volunteers, however we have had nothing on site, so the accessible garden beds is a way to keep people engaged and people can see something is happening," Claire said.

The long term plan for Coolum Common is for it to be designed by the community and for the community to use.

"We will do more community engagement in order to get the design right and it will be an outdoor meeting space - a place to learn how to live sustainably and we envision it to be a place where people can learn.

"At the moment our focus is on getting incorporated so that we can apply for more grants and deliver the accessible garden - everything is dependent on funding and we don't have any larger gardening or permaculture group behind us, so we have to do everything on our own via grants and fundraising."

Whilst many people in Coolum do have gardens of their own, community gardens serve as a way to connect people to their community,

especially after the social isolation that has resulted from COVID.

"People are looking for connection and people are looking to make new friends and there's also many people who have downsized and want that gardening area and Coolum Common will also be a way to meet like minded people and learn," Claire explained.

To support Coolum Common come along to the Barely Worn Market at Coolum Civic Centre this Saturday from 8am to learn more about how you

can support the project and be involved. The stall will host a seed, seedling and plant sale and will also serve as a way to share the community vision for the site and people will also be able to ask questions and chat with the group.

Donations of seeds and seedlings are welcomed and for more information please contact Claire and the Coolum Common team on social media @coolumcommon and check out the website at <https://urbankind.studio/coolum-common>

# OVER \$200,000 FUNDING WIN FOR COMMUNITY GROUPS

LOCAL community groups have received a funding boost through Round 108 of the Gambling Community Benefit Fund Grant and the first round of the Investing in Queensland Women Grant.

Ms Simpson said that over \$200,000 in grants will be paid to local groups in the Maroochydore electorate, including:

\*Mudjimba Surf Lifesaving Club will receive \$34,920 to upgrade the facility;

\*The Queensland Country Women's Association will receive \$24,125 to upgrade the roof;

\*IFYS Limited will receive \$6,500 to create peer-led DFC education through online narratives;

\*Beyond DV Ltd will receive \$14,500 to deliver domestic violence workshops for boys and girls (16-18 years) and their parents.

"It is really exciting to see the community benefiting from these funding opportunities. These grants assist our organisations to continue to provide important services within our local community," Ms Simpson said.

"And it was great to see Mudjimba Lifesaving Club receive funding for further club upgrades, as they celebrate their 25th birthday this year.

"It was also really fantastic that Maroochydore had two wins with the first round of the Investing in Queensland Women grant."

"I encourage all local groups, however big or small, to apply for available grant funding and to contact my office to discuss a letter of support or for advice."

The Gambling Community Fund is a quarterly program providing funding of up to \$35,000 to community groups. Round 110 of the funding is now open and closes midnight on June 30, 2021.

Round two of the Investing in Queensland Women Round Two will open in July 2021.

### COOLUM THEATRE PLAYERS

COOLUM Theatre Players' winter production swaps Coolum Beach for the chillier pebbles of the UK's Brighton Beach in five mini plays with one thing in common - Deckchairs!

Deckchairs, by Jean McConnell, is directed by Barbara Ryan a newcomer to Coolum Theatre Players (CTP) and the Sunshine Coast. Barbara directed and performed in regional Victoria, and previously Coffs Harbour for many years and recently relocated to the Sunshine Coast with her husband Bob. With a string of performing and directing credits to her name, Barbara is working with a cast of 10

local women, some first-time performers and some better known faces to bring the seaside hi-jinks of 'Deckchairs' to life.

Barbara has described 'Deckchairs' as a series of five mini plays of around 15 - 20 minutes long with each one featuring two actors.

"Each play has a different emotional tone - funny, bittersweet or sad, and each one features very different characters, but all the stories they tell will resonate with and entertain, and delight the audience.

"Between the plays, there will also be some jolly seaside musical entertainment which the audience will be encouraged to join in with," Barbara said.

Deckchairs will run across

two weekends, on July 16, 17 and 24 with shows at 7.30pm. There will be two matinee performances at 2pm on Sunday July 18 and 25 at Coolum Civic Centre. Once again the show will feature CTP's popular table seating and guests will be allowed to BYO drinks and nibbles to have at their table.

The Advertiser has a double pass to give away to the performance on July 24 at 7.30pm, if you can make that time and date, please email your name, address and phone number to michelle@coolumadvertiser.com.au with the subject 'Deckchairs' by close of business on Monday July 12.

Tickets are on sale now and can be purchased online at coolumtheatre.com.au, or from North Shore Realty on 5446 2500.

Deckchairs is a new production being staged by the Coolum Theatre Players and features five mini plays all centered around Brighton Beach in the UK. ### WHO LOVES THE SUNSHINE COAST SHOW AT NAMBOUR?

OUR SUNSHINE Coast Show has just finished for another year and it was cancelled last year due to COVID. The rural show which is held in the green hills of Nambour has be-

come one of those go to events where we enjoy the nostalgia and honesty of a much simpler time.

I experienced an early childhood in regional Tasmania with my grandparents on the family farm with dairy, mixed crops and a small orchard. Occasionally I helped out with the mainly friendly jersey cows at milking time. There was not much

to be purchased from the shops with vegetables, meat and fruit all produced on the farm. My granny would make preserves of fruit and vegetables plus bake beautiful cakes and biscuits.

Each year when the Devonport Show came around granny would enter her cakes, biscuits and preserves in the show competition as well as enter displays sourced from the garden with floral art.

When moving to Marcoola and living only a short distance from the Nambour Show grounds we started to make the Sunshine Coast Show an annual event finding the charm of the smaller regional agricultural show.

I find there is so much love and attention that goes into the Sunshine Coast Show and try to get around to all exhibits, wood chopping, ring events, art and handicrafts, farm animals and much more. This year the winning iced cake was a beautiful turtle cake and the love theme came across in many of the wonderful handcrafted quilts. Of course there are plenty of tasty food, beverages and side show alley attractions to enjoy as well.

Clearly, I love the Sunshine Coast Show and so do many other people with over 8,000 people attending on the Friday public holiday. The bringing together of the rural and other regional people for a celebration of what we treasure in our community is special. I really was impressed by the young girls and boys competing hard in the woodchops or leading feisty cows around the show ring following on family traditions.

Yes, there is a great deal of love in Nambour especially at show time.

WITH A PASSION FOR LOCAL HISTORY

## AN ANNIVERSARY WORTH CELEBRATING

Happy Birthday to Coolum! Pictured are Merv and Beryl Doyle, John Windolf and Caryll Murphy with their anniversary plaques in 1996, which celebrated Coolum's 50th birthday. This year will mark 75 years of 'Coolum'. Photo: Windolf collection

ON JUNE 30, 2021, Coolum will reach an important historical milestone. That day will mark the seventy-fifth anniversary of the day when Coolum Beach was officially declared a township, on June 30, 1946. At that time, the township of Coolum Beach, which included today's Coolum Beach, Mount Coolum, Yaroomba, Point Arkwright, South Peregian and Peregian Springs had a population comprised of 155 men, women and children – 107 adults who were twenty-one and older, and 48 minors. There were 55 households in that area and twenty-two of the householders were farmers,

nineteen were retired, six were labourers, and two were drivers, and there was one shopkeeper, one school teacher, one postmaster, one salesman, one bus proprietor and a "bait man". Fifteen people lived on their own, there were eighteen two-person households, sixteen families of between three and five persons, and six families in households of six to ten people.

When Coolum Beach township was declared, there were 29 children attending the State School, on the corner of Warrack Street and South Coolum Road. However, over the next five years, that number varied dramatically as new families

– including the Lambert and Parnell families - moved to the area, and others left. At that time, there was still only one road out of town, which was considered to be "almost impossible to keep in any reasonable state of repair". There was only one shop, no doctor, no nurse, no electricity, no piped water ... and people still had to empty their own toilet pans! At least fifteen or twenty families moved to the area, and left again within six months of a year, realising that the inexpensive land that they had bought with deferred army pay or cheap war service loans was not as idyllic as they dreamed it would be, so Coolum Beach remained a very small hamlet.

Fifty years later, the area was very different, and the 155 residents of five decades before had grown to 6999, even though the area encompassed by the name "Coolum" had become limited as "suburbs" had developed around the central core. In 1996, 1054 Coolum residents had been born overseas, and only 38 per cent of residents [2659 people] had been at the same address five years previously. At that time 1524 residents [22 per cent] were aged under 15, with most attending one of the two excellent schools.

The fiftieth anniversary of Coolum Beach was celebrated by a black-tie ball in the Coolum Civic Centre, where plaques were presented to five residents who had lived in Coolum fifty years before – Merv and Beryl Doyle, Ray Wintzloff, and John Windolf and his sister Caryll Murphy. None are left, but their legacy lives on. ... Happy 75th birthday, Coolum!

#### SIGN FOR SIAN

THANK YOU to everyone who has signed the petition calling on the Queensland Parole Board to ensure that for the worst of the worst offenders, like convicted killer Barrie John Watts, life means life. This week I tabled the petition in Parliament, which has received overwhelming support from individuals right across the State.

If you would like to keep up to date with our campaign, including the outcome of Barrie Watts' parole application, please sign up for regular updates via my website, or contact my office.

#### STATE BUDGET

This week, the State Government handed down its second Budget, but unfortunately for the majority of locals, there was little to get excited about. There are some local highlights worth celebrating, with Coolum High set to benefit from a \$11.2million investment this financial

year for a range of infrastructure projects including building extensions and classrooms, as well as \$4.5m for a new administration building for North Arm State School, and \$450,000 for Bli Bli State School. These are great outcomes, although I am disappointed there was no new money for a performance hall for Coolum High, or to fast track the long overdue air-conditioning at Coolum State School.

Other welcome investment includes just over \$1million for pedestrian access at the intersection of Scrub Road and David Low Way, and an additional \$450,000 for the Motorway duplication planning process. The State is also chipping in more than \$1million to seal a section of Zgrajewski Road. These are all important projects I have been lobbying for, so it's great to see the funding allocated, although there's

still much more needed.

At a time when more and more people are choosing to call the Sunshine Coast home, we need to see more money being invested into our road network. We need to fast-track major infrastructure projects like the upgrade to the Coolum roundabout, and upgrades to major arterial roads like the Yandina Coolum Road and Bli Bli Road, which are no longer fit for purpose.

While I welcome a funding commitment of \$1.9billion over four years for social housing, and a new \$1billion Housing Investment Fund, there is so much more that needs to be done, which this Budget simply doesn't deliver.

#### VOLUNTARY ASSISTED DYING - SURVEY NOW AVAILABLE

For those residents keen to have their say on the Government's proposed Voluntary Assisted Dying legislation, you can now access the survey on my website. A hard copy will be available in your letterbox from next week.

DIVISION 8  
SUNSHINE COAST COUNCIL

KEEPING our parks beautiful and our beaches and local shops accessible is important for our community, which is why I've committed funding to renew the pathway in front of the shops on Lorraine Avenue, Marcoola. This upgrade will improve safety and match the finish on the pavement to the newer footpath along Marcoola Esplanade. Starting June 21, works will take place in two-stages to ensure access and connectivity to surrounding businesses.

We should also soon see a

new shade sail constructed over the playground in Birrahl Park, Yaroomba to create a sun-safe play environment for our littlies. Plans are afoot to build an additional shelter in the park to house an electric barbeque and more seating for locals and visitors to enjoy.

I can also report that construction works for a new viewing deck at Beach Access 94 in Mount Coolum commenced on Monday June 14.

I've previously highlighted public transport as an important

part of our community. Now is your opportunity to help shape the transport options to benefit you and your family in the future. To wrap up, I urge you to have your say on the Mass Transit Project before consultation closes on June 22, 2021.

We have some huge sporting events coming up - June 25-27 will see the Women's State of Origin, the Aussie Stingers Water Polo team are hosting a farewell match at St Andrews before they go to Tokyo and of course Sunshine Coast Lightning are striking back, sitting top of the ladder. Make sure you show your team colours and support, for event information go to events.sunshinecoast.qld.gov.au.

See you 'round Div 8!

### Principal's Post

TROY ASCOTT  
COOLUM STATE HIGH SCHOOL

IF YOU can remember back to the weekend just gone, you will remember that the beaches were at their most magnificent. Our beautiful Pacific Ocean shone and reminded us that, yes, we do live in the best place in the world!

You may also remember that the reason for the long weekend was the Nambour show. A group of our diverse learner students didn't forget about the show – instead, they cooked, created and entered their brownies and lamingtons in the show and received first place for their brownies and third for their brownies!

It was a great achievement and also a wonderful representation of Coolum High as an inclusive school. Coolum High was, is and always will be the community's school and, as such, it represents everyone within our community. Like our community itself, Coolum High is a place where everyone has the opportunity to shine. Everyone can achieve at Coolum High and what we know is that, given the

right opportunity, all of our students will excel.

It is so important that we cater for everyone in our community as communities are diverse; there are many different people and they all lead different lives;

each person has their own talents and their own gifts to give and it's only when we embrace everyone that we can truly receive all of these gifts. Yep, I can safely say that I am pretty proud of everyone at Coolum High who works to create an environment of inclusion at our school and equally proud of the support our students receive within our community.

## The Ten Commitments

### 1. The Rental Guarantee

We guarantee that your tenant's rent will always be paid up to date. If your tenant is late in rent payments, we will personally cover any shortfall. We are confident with our tenant selection process, and believe we should be responsible for your income being consistent and reliable.

### 2. Communication

Our philosophy is 'We contact you before you contact us'. We keep you updated, so you know the progress of your property. Good communication is our priority.

### 3. Routine Inspections

Your property will be inspected every 12 weeks and an inspection report with colour photos will be emailed to you after each time. You will see photos of recent maintenance completed, and see visible evidence of the tenants taking care of your investment.

### 4. We are Available 24/7

We are on call 24/7. If you call the landline after hours, it is automatically diverted to the Principal's mobile number. If you need to speak to us after hours, we are here for you. If your tenants have an emergency, we are available. Our plumber and electrician are also on call 24/7.

### 5. Advertising Your Property

There is no cost to you for this. We advertise your property on [www.realestate.com.au](http://www.realestate.com.au) as a 'Premier Property', so it is given priority placement over other rentals we are competing with. Premier Property listings are \$135 each but at no cost to you. We advertise on [www.domain.com.au](http://www.domain.com.au), and also on [www.coolumbeachrealty.com.au](http://www.coolumbeachrealty.com.au).

### 6. Professional Photography

We will provide Professional Photography, at our cost (\$198), to successfully promote your property when required.

### 7. No Hidden or Ongoing Fees

We do not charge admin fees, maintenance fees, statement fees or any other ongoing fees.

### 8. We Cover Your Expenses

We pay all expenses from your rental account. If a large expense is due and your account is low, we cover this cost until your account is able to reimburse us.

### 9. Tenants Pay for Water Usage

We will invoice the tenants for their water usage at the maximum allowable rate, and refund your rental account with this amount every three months.

### 10. Three Day Vacancy Plan

Tenants provide a minimum of two weeks' notice when vacating. Before a tenant vacates, we activate a marketing strategy, designed to secure new tenants who will commence paying rent three days after the previous tenants have moved out.

## COOLUM DARTS WRAP

SOCIAL Darts is played at the Coolum Beach Bowls Club every Thursday night with playing start at 6:30pm. Registration and practice is from 6.00pm.

Last week June 10 was won by Shane Turvey with Jon Evans coming in as runner up.

A high score of 180 went to Scott Hvass which is also the highest possible score that can be obtained from three darts!

A high peg (three darts finish with a double) of 64 went to Jon Evans.

Social darts is handicapped and based on players' skills and wins.

New players area always welcome and for more info on darts at the Bowlo, please call Jon Evans on 0415 339 038

The Bowls Club Courtesy bus is now available on Thursdays and will ensure you get to the club safely.
