## GOODBYE AND CONGRATS TO THE CLASS OF 2021

QUEENSLAND Premier Anastacia Palaszczuk and Education Minister Grace Grace have farewelled the graduating class of 2021 and wished them well in their future endeavours.

The Premier paid tribute to the 53,000 young Queenslanders finishing their schooling years during extremely challenging times.

"Our Year 12s are inspirational young Queenslanders and have completed their final two years of schooling under the shadow of COVID," the Premier said.

"The Class of '21 have had to learn to adapt and, most impressive of all, simply get on with it, no matter what was thrown at them.

"They don't get nearly enough credit for their resilience so I am saying it now: congratulations. You made it!

"Queensland's future is in good hands."

Minister Grace thanked teachers and staff for their hard work.

"The teaching workforce and entire school community have done a wonderful job supporting this cohort throughout their education journey, especially during the impacts of the pandemic,"

Last week the year 12 students from across the state said goodbye to their years of school and officially graduated as the class of 2021. The year 12 students from Coolum State High School dressed up in formal academic gowns and mortarboards at a Graduation Ceremony held at Twin Waters last Thursday evening in the presence of their parents and guardians. On Friday at a school reception they were officially graduates and sent off and 'clapped out'. Pictured above are some of the graduates who made it to the end of their school years and from everyone in the community we wish them all the very best as they embark on the next stage of their lives. ## Unique & Contemporary Abstract

### Carley Bourne

Carley Bourne is a successful artist, working from her home studio space in Noosaville and taking inspiration from the natural beauty of her surroundings.

The tropical coastal area, florals and botanicals excite her imagination. Carley enjoys working mostly with acrylics, creating large scale artworks on canvas.

With a free, fanciful and intuitive way which allows her artistic visions to flow, with form, marks, colour and patterns, her work is mostly botanical or floral based, with a very unique and contemporary abstract style that flow, soothe, excite or entice the viewer.

Exhibition open until Friday, 24<sup>th</sup> December 2021

## Letters to the editor

### COVID RESPONSIBILITIES

Dear editor,  
The Prime Minister may want more can-do capitalism and less government telling us what to do, but where would that have gotten us this past twenty months?

If the State Premiers and Territory leaders hadn't stepped up when they did there would be a lot less people around to enjoy the freedoms coming our way as vaccination rates improve.

Of course, if Mr Morrison had secured vaccine supplies earlier, and accepted the Federal Government's responsibility for quarantine, COVID19 would not have had as much

impact and there would have been less lockdowns and less impact on our economy.

Our State Government listened to the health advice and kept us safe, sadly seven people died from the deadly corona virus. It could have been far worse, but Queenslanders listened to the health directives, and we are getting through this pandemic together, that is freedom.

Robyn Deane,  
Bli Bli.

### GO-CARD HYPOCRISY

Dear editor,  
The Sunshine Coast public transport "ride for free" culture, exacerbated by school

holidays and weekends, is condoned by Sunbus, Translink and our State Government. It is theft, endorsed by apathy.

Go-card users, all two million of them in Queensland, are subject to fines. Any indiscretion or inattention in touching on or off with their cards, is subject immediately to a significant fine, with credit automatically extracted from existing card credit. This could be \$2.50 or \$5 for concession cardholders, including seniors, or \$5 or \$10 for adults.

There is no comeback or mercy for the guilty. The winners are the State Government and phone companies. Translink has no 1800 free call for complaints. To retrieve the lost credit, if you are even aware, takes a lengthy phone call, jumping through all the Translink hoops and delays.

But, of course, in our society, recalcitrants have and demand their rights, without fear of a fine for free travel, with no regular inspectors monitoring our public transport here, it's a warning at best. It is theft with impunity as their right is condoned by the system - fortune favours the bold!

E. Rowe,  
Marcoola.

### CLIMATE SOLUTIONS

Dear editor,  
In the chook pen Top Cocks were unruffled by heat-stressed Hens producing hard boiled eggs causing a deficit of viable nest eggs. Top Cocks actioned bird-brained Bantams, running in circles with wings flapping to cool the pen while Top Cocks got cockeyed on henbane. Unbeflappinglyeable!

## Business Showcase

COOLUM BEACH REALTY

### RENTAL PORTFOLIO EXPANDS

IN EXCITING news for the local community, Coolum Beach Realty which is a family owned and operated agency is keen to let the region know that they have expanded with a merge of rental management from Michelle Holzberger of LJ Hooker Coolum Beach.

Located in Birtwill St, Coolum Beach Realty has been in operation since 2014 and has quickly grown to become the stand out agency for letting and property management in the North Shore region thanks to their specialised and personalised approach.

When contemplating retirement, Michelle from LJ Hooker was keen to find an agency who would not only take on her beloved properties, but also her dedicated property manager - Melanie Ottaway and CBR was

the right 'fit'.

Coolum Beach Realty Licensee, Stuart Cook said that having Melanie on board made for a smooth transition with the merge.

"Melanie is on first name terms with all of her owners and tenants and brings a wealth of knowledge to the business.

"As Michelle's office was situated practically next door to us, there has been no disruption to owners, tenants or tradesmen," Stuart said.

Coolum Beach Realty has a specialised team of property managers as well as admin staff to ensure all owners and tenants receive the best service available and are happy to talk to anyone who may be considering renting out their property.

Senior Property Manager with CBR Philip Cook said that people were starting to move again and as such were letting out their homes.

"Owners are either relocat-

ing for work or travelling again due to the borders opening up and we have our property rental guarantee which no other local agency has – we will ensure that the owner always gets paid on time."

The family owned agency pride themselves on their personalised service and have established a network of trades and services that work in conjunction with them to ensure let properties are well looked after.

"Our trades have been working with us for years and we trust their work - they are prompt and they make us a priority," Philip said.

Undeniably the number one agency for letting in the region, if you are considering renting out your property give the team at Coolum Beach Realty a ring for a free appraisal, and rest assured that your property will be managed by the very best in the business.

Coolum Beach Realty is located at 11/21 Birtwill Street, Coolum Beach and can be contacted on 5471 6155.

Announcing the merge of rental management by Coolum Beach Realty (CBR) from LJ Hooker Coolum Beach are CBR Licensee Stuart Cook, Marketing Manager Greg Cook, Senior Property Manager Philip Cook, and new CBR Property Manager Melanie Ottaway who previously worked for LJ Hooker and Michelle Holzberger from LJ Hooker Coolum Beach who is retiring from property management.

## Stepping up for the greatest shave

ON DECEMBER 1st eleven year old Ayla Stewart will be chopping off her beautiful hair in an effort to raise funds for the Leukaemia foundation as part of the Worlds Greatest Shave.

The St Andrews student has so far raised \$1280 and has a goal of \$2000 and would love more people to support her cause as she gets ready to cut around 50 centimetres off.

Ayla said that she is taking part in the World's Greatest Shave for the Leukaemia Foundation in an effort to save the world from blood cancer.

"Please sponsor me to give families facing blood cancer the emotional and practical support they need. You'll also fund vital research to help more people survive blood cancers, while improving their quality of life."

To support Ayla go to [www.worldgreatestshave.com](http://www.worldgreatestshave.com), click on donate and then search 'Ayla Stewart'. Donations will receive a receipt, which is tax deductible. Photo: Contributed

## Community Update

### YANDINA QCWA

THIS Saturday November 27 from 8.30am to 12.30pm the Yandina Branch of the Queensland Country Women's Association (QCWA) will be holding their Christmas Craft Stall in the QCWA Hall at 11 Stevens Street, Yandina. The ladies have been busy

making craft items including carry bags, topped tea towels, crocheted clothing and rugs, knitted tea cosies, toys and Christmas ornaments. There will also be baked goodies like shortbread and preserves (jams and chutneys) available for purchase along with potted

plants. Members of the community are invited to come along and purchase these high quality and lovingly made items as gifts or to treat themselves.

Funds raised from the stall will allow the branch to continue to support others in need including members of the local community, like school children and those impacted by domestic violence, as well as families in rural areas.

## Sandy Bolton MP

Member for Noosa

RECENT announcements for December 17 have as I said in my speech in Parliament, brought much joy in our communities, as well as great angst.

Mandates around vaccinations have seen our inboxes overflow in a way my office has never experienced. From our businesses, residents and patients of the chiropractors, psychologists and other allied health care workers who are impacted, the ramifications of a decrease of available health providers

when we are needing them the most will impact all in our community. As we wait for responses from Government to the many concerns and questions surrounding, including why telehealth cannot be used where possible, I thank everyone for their unity and support for each other, regardless of vaccination status.

Outside of Chamber, there has been greater awareness to our 'invisible injuries' including PTSD via local

events, and we thank all who work and volunteer in this space. During the coming months, it is really important to ensure our mental fitness is part of our daily regime, including not sending any symptoms to the 'do later' box! There are many organisations there to assist, and we have a list of these at 360, as well as some fabulous exercises for our mind.

Remembrance Day 2021 was again one of deep honouring and appreciation for those who gave their lives for us. The releasing of the doves is the greatest of reminders to always strive for peace, whether in our homes, workplaces or internationally.

With the very broad range of state issues that come across our desk, to keep updated just visit Noosa 360 at <https://www.sandy-bolton.com/noosa360/> and use the search bar to look for a topic. Recent posts include hinterland heavy haulage, the Housing Action Group and COVID-19 FAQ updates.

And please, as I continue to request, if you are vaccinating do so urgently to avoid long waits or potential supply issues once COVID visits our community. With our hospital systems struggling already these past months, and ambulance ramping, we must do everything we can to not add to the load when borders open. That includes being vigilant with our hygiene measures, mask up when required and hunkering down when outbreaks occur.

### WHAT IS ORGANIC FOOD?

ON A SATURDAY morning I ride my bike down to the Marcoola Farmers Market to visit the organic farmers stall. The stall of the 'Good Harvest Organic Farm' seems to be increasing in popularity at Marcoola, which is great to see.

Organic food is food produced by methods complying with the standards of organic farming. Standards vary worldwide, but organic farming features practices that cycle resources, promote ecological balance, and conserve biodiversity. The food is produced without the use of chemical fertilizers, pesticides, or other artificial chemicals.

As a yoga teacher I am interested in nutrition and the healing that occurs when consuming organic food. For me the benefits of local organic 'in season' and colourful green, orange, red or other coloured vegetables and fruit are an easy sell for people like myself who are concerned about their health and wellbeing.

Many of us have tried our hand with a small plot or pot to grow our healthy vegetables and fruit in at home during the pandemic to varying degrees of success.

Mick Dan and Kelly Burton from Good Harvest Organic Farm have taken up organic farming and supply vegetables and fruit to up to 1500 families a week. Mick and Kelly started

with a shop at Marcoola but unfortunately they had to move on after a significant fire.

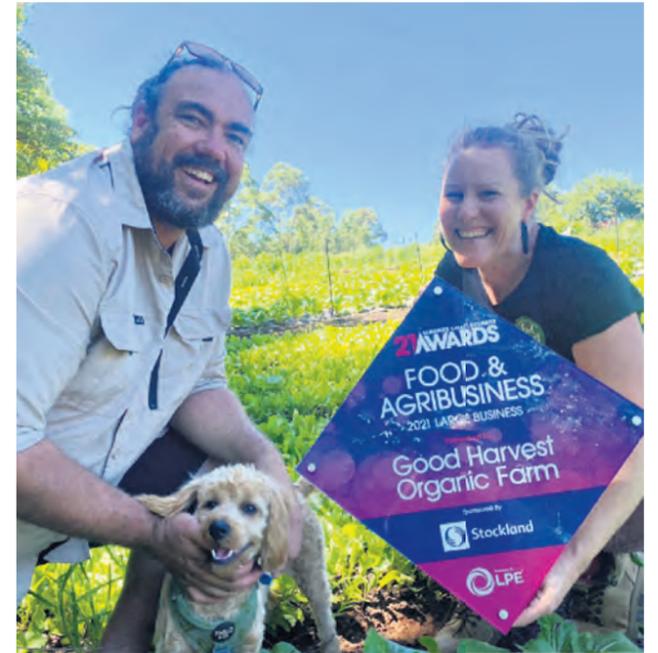

The successful business is now online and featured at market stalls like the Marcoola Farmers Market. This month Mick and Kelly were recognised by their industry with awards. At the awards hosted by the peak industry body - Australian Organic Limited, Good Harvest were finalists in four separate Australia Organic Industry Awards. The awards included:

- \* Young Organic Leader - Mick Dan
- \* Women in Organic of the Year - Kelly Burton
- \* Farmer of the Year - Mick Dan
- \* Retailer of the Year - Good Harvest

Good Harvest were also the Winner of the Food & Agribusiness Category - Large Employer in the Sunshine Coast Business Awards 2021.

I would like to congratulate Kelly and Mick for their success and the recognition of their peers in the industry.

We are indeed fortunate to have Kelly and Mick who continue to be part of our caring community and provide the region with quality organic produce.

# COOLUM LIBRARY ACCEPTING BOOKS FOR OUR NEEDY KIDS

SUNSHINE Coast Council Libraries are calling on the community to help share the gift of reading with local kids this Christmas and to literally give the gift of reading this Christmas.

From Monday, November 15 until Monday, December 13 Libraries will be accepting new book donations, which will be distributed to families in need by local charities in time for Christmas.

The community is encour-

aged to donate new children's or young adult fiction and non-fiction books to their local Sunshine Coast library branch.

Being surrounded by lots and lots of books where they live helps children build vocabulary, increase awareness and comprehension, and expand horizons — all benefiting them in adulthood, according to findings published in the Social Science Research journal.

Sunshine Coast Librar-

ies are committed to making literacy and recreational reading opportunities available to everyone in our community through their annual Books4Kids Christmas appeal.

Get involved to help Sunshine Coast Libraries ensure all homes across the region have access to their own books, by supporting the 2021 Books4Kids appeal.

For more information visit the library website, library.sunshinecoast.qld.gov.au

# Green light for new Noosa Short-Stay Letting Local Law

A NEW local law aimed at managing the impact of short-stay properties on residential amenity is set to take effect next year.

Noosa Mayor Clare Stewart said the Short-Stay Letting Local Law would also protect guests by introducing minimum safety standards property owners will need to meet.

"This Local Law gives us a practical tool – over and above the planning scheme – to ensure short-stay property owners are being good neighbours and dealing with issues as they arise," the Mayor said.

An estimated 86 per cent of Noosa's short-stay accommodation operators are based outside of Noosa Shire with 51 per cent of those also outside of Queensland.

"With the state shelving its plans for a state-wide framework and our community calling out for controls on the use of residential properties for short-stay accommodation, we must act."

The new local law will require owners to appoint a manager or contact person, with the complaints hotline

number and approval number to be displayed on the front of the property.

"The contact person must be available 24/7, be located within 20 kilometres of the short-stay property and respond to all complaints within 30 minutes," the Mayor said.

The local law introduces an approval for short-stay and home-hosted properties to take effect from February 2022, which is renewed annually, plus rules around vehicle and trailer parking.

Council will establish a 24-hour complaints hotline and trial the use of a security firm to monitor problem properties.

The Mayor said guests would have to comply with a code of conduct, with the property manager or contact person responsible for enforcing it.

"We'll develop a suite of educational resources to support the short-stay industry with the introduction of the new local law, including a Good Management Guide for both short-stay letting and home-hosted accommodation providers," Mayor Stewart said.

"The guide and other fact-

sheets, plus information about the complaints process and hotline number, will be available on a dedicated webpage."

The Mayor said council would recoup some of the administration costs through fees and property rates by way of a special rating category introduced this year.

"The fees will take effect next year, subject to council's budget process."

Introduction of the local law follows two rounds of community consultation, which attracted more than 600 written submissions from residents, short-stay property owners and industry.

"Overwhelmingly, residents called for more council involvement in regulating short-stay letting, with many calling for a 24/7 complaints hotline, centralised complaints register and security services. With this local law we're delivering on those calls."

Council will establish a multi interest stakeholder group and will review the local laws after 12 months and report back to council with recommendations.

# Coolum State High School Congratulations Class of 2021

## Achieving Excellence

**Coolum**  
State High School  
Care • Respect • Excellence

**Congratulations to each and every student of the 2021 graduating class.**

At Coolum State High School our students' achievements have us bursting with pride - the students show care, respect and excellence in everything that they do.

As we reflect upon the year that has been, we extend our sincere thanks to everyone in our community for the support you have given our school.

We thank you for your commitment to our students and for your contribution in making Coolum State High School a great school with exceptional students.

## Principal's Post

**TROY ASCOTT**  
COOLUM STATE HIGH SCHOOL

MY COLUMN this week is a very special farewell, one where I would like to congratulate the Year 12 class of 2021. I would like to start by congratulating our year 12s on a truly remarkable Graduation Ceremony, which was held at Twin Waters last Thursday evening. Everything about the night including the enthusiasm, the speeches by our school captains, the musical performances and the incredible Valedictory Address was truly amazing. This has been a very special group of students.

Last Friday we hosted our final school assembly with this group and formed a Guard of Honour to send them off with their parents and guardians in

attendance.

This group will hold a very special place in the history of our school. They have set benchmarks in academic performance that are unrivalled. They have delighted us week in and week out with the quality of their musical performances and this is known the length and breadth of the Coast. On the sporting field they have represented us with distinction and spread the name of Coolum State High School as a force to be reckoned with. The student leadership has been extraordinary and set extraordinarily high standards – including leading and hosting a conference of student leaders right here at Coolum State High School.

Ron Miller with Sequoya and Meera.

Cain Mallon, Toby Mai, Kai Weith and Caleb Rivers.

Dave and Annalece Mengel with Callie Lashford and Jo Alce.

Aybiar Smith with Jackson, Chris and Zoe Clark.

But it is something more than that that truly defines this group. I saw it at their Midwinter Ball and I saw it again last week at the Graduation even more profoundly. It is their sense of kindness, their care for one another, their inclusion of all students and their innate understanding that together you are stronger. They have understood that working together, cooperatively and in unity, makes you so much stronger than working alone. They are the embodiment of what it means to be a team, a group, a cohort – united. It is this quality, this togetherness, for which the class of 2021 will be most remembered.

At the Graduation Ceremony last week, our Year 12 students acknowledged the staff that have helped guide them throughout their high school journey. I would like to thank

our Deputy Principal, Emma Curnow, and Head of Year, Lee Francey, for the outstanding work they have done in guiding the progress of our Year 12s through their years at Coolum High but most especially, during 2021. I would also like to thank all of our exceptional teachers, who have devoted themselves in time, care and worry to ensuring our Year 12s achieved their very best this year and are prepared for life beyond Coolum SHS.

To the Class of 2021 you are an exceptional group of young adults. You are high achievers across the curriculum. You have been outstanding in demonstrating our values of Care, Respect, and Excellence and, most of all, you have shown just how wonderful belonging to Coolum SHS can be.

## COOLUM CRICKET CLUB

### Coolum Cricket

THE WEEKEND saw the conclusion of the senior two-day matches. The Coolum first team had to dig in to avoid a Nambour outright victory, with Jack Simpson top scoring with 33. There were also defeats for the third

and fourth teams. The women's team went very close to defeating league leaders Yandina. Sophie Ismail bagged another four wickets to help the Sharkettes restrict the opposition to 96. Sophie has 15 wickets so far this season. The run chase faltered, leaving the women 18 runs short.

The two under 15 teams are at the halfway mark of their respective two day games which conclude on Saturday. The under 13s continued to dominate with two more victories for the Makos and Tiger Sharks. The under 12, Reef Sharks edged out Yandina by three runs.
